PETITIONING THE COURT

To issue a summons.

On April 6, 2023, Mr. Torres-Galvez' conditions of supervised release were reviewed with him. On that date, he signed his revocation judgment acknowledging an understanding of his conditions of release.

The probation officer believes that the offender has violated the following condition of supervision:

| <u>Violation Number</u> | <u>Nature of Noncompliance</u> |
|-------------------------|--------------------------------|
|-------------------------|--------------------------------|

| | |
|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Special Condition #6: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances. |
|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Supporting Evidence: Mr. Torres-Galvez is alleged to have violated his conditions of supervised release by consuming methamphetamine on or about October 17, 2023.

On October 17, 2023, this officer spoke with Mr. Torres-Galvez on the telephone about his color line drug testing at The Center for Alcohol and Drug Treatment (The Center). Mr. Torres-Galvez explained he had to work in Moses Lake, Washington, today and would not be able to report to The Center in time to provide his drug test. Mr. Torres-Galvez was granted permission to report to The Center on October 18, 2023, to make up his drug test.

After speaking with Mr. Torres-Galvez, he provided a drug test at The Center that was sent to the laboratory for testing. While Mr. Torres-Galvez was at The Center he scheduled an appointment to start outpatient treatment on October 31, 2023.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegation contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
